Felicia Zannino-Baker was born and raised in Baltimore City. She currently resides in Washington, DC. After receiving her BFA in Interior Design from the Maryland Institute College of Art, she held management positions at the Washington Design Center, within a high-end residential design firm and in retail home furnishings, gathering knowledge and expertise in all aspects of the Interior Design Industry.

During her two-decade career, Felicia has developed a diverse portfolio of residential, institutional and corporate projects ranging in style from modern loft spaces to traditional interiors including antiques and retro design elements. Her firm has grown from a single location in Washington DC to a second design studio in Baltimore, Maryland.

Felicia has developed a strong reputation as an art consultant and supporter of local artists; working in all forms of media. She is active in both the Baltimore and Bethesda arts districts. Felicia believes that art and accessories are critical to the successful completion of a room. Her expertise allows her to place art that is perfectly suited to enhance each room she designs.

Felicia Zannino-Baker is an Allied Member of ASID. Her work has been published both locally and nationally.

Magnolia Design Studios can work closely and seamlessly with you, your architect and/or builder on any scale project. Carefully listen to your desires and needs, then interpret them into spaces that uniquely reflect the project's goals. We offer full interior design services which include selections on all interior and exterior finishes, as well as custom cabinetry, furnishings and lighting, accessories and art. Our services include specification only, specification, purchasing and installation, and/or art consultation services, purchase and installation. Our fee structure is based on an hourly fee and a discount on all furnishings and art provided by our firm. Custom framing available upon request.
